

Just  Jan's

Spread the Goodness

What am I gonna do  
with all these figs?

For years, Jan made a fig jam as a holiday gift for friends and family. One day while out delivering some of her holiday jam, she had a chance encounter with a food industry veteran. A short time later, *Just Jan's* was born!

**JAN HOGREWE**

*founder*

"I want to taste the fruit, not the sugar."

Traditional jams and jellies are full of sugar. Jan wanted to let the **natural sweetness** and **flavor** of the fruit shine through.

Just Jan's spreads have an average of 14% less sugar than a lot of jams and jellies.

Just Jan's produces a full line of fruit spreads, curds and marmalades.

*From sweet to savory with uses as diverse as your imagination.*

*"I cook with my spreads everyday"*

# MEYER LEMON CURD

MEYER LEMON BARS

MEYER LEMON RASPBERRY TART

**Fruit curd is a creamy spread traditionally made with citrus juice, egg and sweet cream butter.**

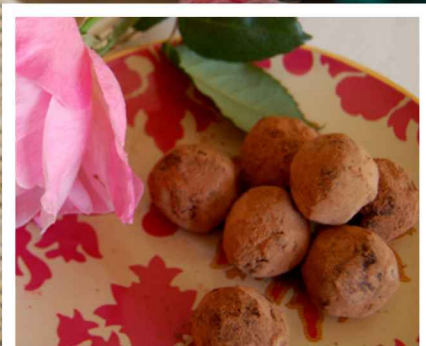

**It's delicious** on scones, homemade muffins, drizzled over fresh berries or as a dessert filling.

*Jan uses MEYER LEMONS for her decadently creamy curds.*

# SEEDLESS RASPBERRY SPREAD

One taste of Just Jan's seedless raspberry and you'll be hooked!

RASPBERRY CHOCOLATE TRUFFLES

RASPBERRY COOLER CAKE

It's a mouthful of bright, tangy raspberry flavor without the seeds. *So silky and creamy you'll love using this in your favorite cookie recipe or shake, don't stir, it into a cocktail.*

# ORGANIC STRAWBERRY SPREAD

Just Jan's Organic Strawberry is smooth yet with chunks of fresh strawberries picked at their peak. PB&J never tasted so good.

When summer has past and you're still craving the sweet red strawberry, you don't need to go any further than your refrigerator.

STRAWBERRY LEMONADE

STRAWBERRY SALAD

**Great addition** in your  
pancake recipe for that  
extra special breakfast.

HOMESTYLE  
PUMPKIN  
BUTTER

Made with Organic Pumpkin and spices  
this is the flavor of fall and the holidays in a jar.

The first flavor Jan created, and her go to, for everything from serving with cheese and appetizers to spreading on French bread and a turkey sandwich.

KADOITA  
FIG SPREAD

Our signature jam!

SWEET FIG PIZZA

FIG BARS

One of the favorites with local restaurants who spotlight it on their menus.

Enjoy the flavor that started *Just Jan's*
